The Certifying Notary also performs the functions of a quasi-Postal Inspector under the Homeland Security Act by being compelled to report any violations of the U.S. Postal regulations as an Officer of The Executive Department.* Intimidating a Notary Public under color of law is a violation of Title 18, U.S. Code, Section 242, titled, “Deprivation of Rights Under Color of Law,” which primarily governs police misconduct investigations. This statute makes it a crime for any person acting under the color of law to willfully deprive any individual residing in the United States those rights protected by the Constitution and U.S. Laws. However, off duty officers who assert their official status also may face prosecution. In rare cases, the actions of security guards, private citizens, judges, defense attorneys, and prosecutors who willfully participate with federal, state, or local law enforcement officials in the commission of color of law violations fall within the purview of the federal statutes.
